

Thank you for taking part in our first ever Great Kent Coast Birdwatch. Use this form to record the birds that you see during your survey. Please spend between 30 minutes to 1 hour walking to survey the birds. You can then enter your recordings into our online form. Scan the QR code above to access this.

Date		Start time	
Start location		Finish time	
End location		Weather	

For each type of bird, note the maximum number that you saw while on your survey. Below we have listed some of the most common birds that you will see. Please write any other birds that you see in the 'other' section.

Waders	Number (tally)	Birds of prey	Number (tally)
